Re: Sunshine letter for successor contract negotiations

Dear Superintendent Baker,

The Redwood City Teachers Association (RCTA) does hereby notify the Redwood City School District that negotiations should begin for a successor agreement to the contract that expires on July 1, 2020.

Brian Cagle, Cathy Schecter, Erinn Washburn, and Michelle Washington will represent the Association at the bargaining table this year. We look forward to an efficient round of negotiations.

The Association will be reopening the following Articles in the contract:

- Article 4 – Working Hours
- Article 6 – Compensation
- Article 8 – Class Size
- Article 12 – California State Preschool
- Article 14 -- Safety and Teaching Conditions

The Association reserves the right to open other articles if needed and will make specific proposals at the bargaining table.

Yours truly,

Brian Cagle
RCTA Negotiations Chair
